Our Administration, Faculty, and Board of Directors are dedicated to training the future leaders how to live, work and minister in the anointing of the Holy Spirit through the five-fold ministry and the gifts of the Holy Spirit.

We believe *breakthrough* is at the door of our hearts and *Revival* is coming to this nation. We are seeing a Powerful Visitation of the Holy Spirit in His body of believers. The Lord desires to reveal and release His Glory over the face of the earth and in the lives of His people, and He is bringing Transformation to His church in order to birth one of the greatest outpourings of revival the world has ever known. With this in mind, our main vision is to teach, train, equip, and send men and women of character and integrity as five-fold Ministry-lead ambassadors for Christ in the spirit of Revival in this 21<sup>st</sup> Century. GIBI is a place where you can increase your knowledge and gain a deeper, more personal and passionate experience with the Lord Jesus Christ. We will provide you with fresh perspectives on how to minister, evangelize, reach, and teach others God's life-changing power. This training is not just for those seeking full-time ministry within the confines of the local church or on the mission field, but also for those wanting to be used of God in the marketplace or their sphere of influence.

GIBI is a place you can develop, grow, and be saturated in the life giving refreshing water of His Word, where our anointed instructors release the now word of the Lord to the Body of Christ and are some of the most brilliant five-fold ministry leaders in the world! You will be empowered to find and fully experience your life purpose and destiny. Answer the call and become a laborer in the harvest field. ## *Missions and Goals*

### Mission and Goals

Our primary goal is to make "profound truths" simple to understand and incorporate into our lives. From its conception, the goal of GIBI has been to make the Word of God available to as many people as possible and to empower them to live out their divine purpose and destiny. Therefore, GIBI offers a thorough, in-depth study of the Word of God that enhances a person's spiritual growth and promotes a spirit of revival. Our desire is to provide an intensive Christian Education without an intimidating and overly rigid scholastic standard.

We at GIBI feel a definite call of God to provide a school conducive to the ministry of the Holy Spirit, our most important Teacher. We recognize that only the Holy Spirit can reveal to us the mind of Christ.

**Chaplaincy Training Program** launched by a move of Holy Spirit and understanding of the times, where the student can receive chaplaincy certification at the end of the course study that equals an accredited Bible college degree specializing in chaplaincy care. The student can become eligible to be fully licensed as an ordained chaplain and minister of the gospel. See "Required Courses for Students" for more information.

We believe GIBI has something for you! Whether it is simply to know more about the Word of God; to be a better prepared Christian for the marketplace; or perhaps to obtain an accredited college degree that will better prepare you for the ministry God has called you to, we count it a privilege to be involved in the teaching of God's Holy Word.

## *Absences and Attendance*

### Absences

Attendance is important at GIBI. Most of our classes are three to five weeks per month, it is impossible to receive the full benefit of the teaching unless the student is in attendance faithfully. If for some reason you must be absent, all work missed due to absence must be made up within a two week period if credit is to be received. If a student is tardy for three classes, it will be counted as one day's absence and will result in a drop in student's final grade.

### Withdrawals and Course Changes

Withdraws can only be made within the first two weeks of class. All withdraws must be submitted in writing to the Administrator.

A student who drops a class during the first two weeks of the course, or drops a course with passing grades after the first two weeks, and has notified the administrator will receive a grade of "W". If a student withdraws after the first two weeks of the course and is not earning a passing grade, will be issued a grade of "F".
